7. Other Business Pertinent to the Authority

- There was discussion about the possibility of utilizing the Authority to oversee the Township's stormwater management program, including compliance with the MS4 (Municipal Separate Storm Sewer System) requirements.

Following a discussion, there was a consensus that this was a reasonable approach and to be further explored.

- The Authority has been requested to open discussions with the Marshall Township Sanitary Authority to consider acquisition of their system that flows into the Brush Creek Water Pollution Control Facility.

Following a discussion, there was a consensus to open those discussions, with no commitments and understanding there are many issues that need to be resolved prior to any offers being made.

- It was requested that the Authority retain Special Counsel for specific issues.

Following a discussion, there was a consensus to seek Special Counsel, with the Chairman reaching out to a potential candidate for that role.

- Understanding that the Authority has no source of revenue to pursue these requests, it was the consensus that the Authority request a Grant from the Township to cover Authority costs related to these issues.

8. Adjournment

Dick Hadley made a motion to adjourn the meeting at 3:55pm. Bettelou Bertoncello seconded the motion. The motion carried 5-0.
