New Business

7.

Sun Valley Update - Upper & Lower

Mike Malak provided an overview of the upper and lower phases of the Sun Valley stormwater project. Mr. Malak explained communications have started with a developer to enhance the stormwater system within Sun Valley.

Dan Santoro mentioned the communications with the developer are in the early stages. Mr. Santoro is hopeful that the collaboration with the developer could accomplish possible cost avoidances for the Township and the General Authority.

Bettelou Bertoncello asked if there was a timeline for the upper and lower phases.

Tim Schutzman explained the timeline is dependent on the Planning Department working through details to see if the developer's vision meets with the Township's vision.

Mr. Schutzman stated the thirty-inch pipe is in dire need of replacement and upsizing.

8. Update on Proposed initiatives for 2022

1. MS4 - Glen Eden Stream Restoration
2. MS4 - Community Park Stream Restoration
3. Regional Stormwater Studies
4. Public/Private Stormwater Facility Inspections

Tim Schutzman explained the Glen Eden Streambank will be restored to DEP requirements. The stabilization includes the following zones: Manor Creek Farms, Cedarbrook, Settlers Grove and Glenbrook Manor.

Chairman Hadley inquired about the stabilization goal.

Mr. Schutzman explained the goal of the stabilization is to reduce the amount of sediment into the stream by focusing on the widening of the channel. Mr. Schutzman stated the DEP requires completion by March of 2023.

Jerry Andree asked if the pandemic will have an impact on the deadline.

Dan Santoro explained the pandemic could impact the ability to complete the project and the Township may need to request an extension.

Mr. Schutzman said there currently is not an official extension from the DEP.

Tim Schutzman provided an overview of the Community Park streambank stabilization. Mr. Schutzman explained the Township is in the process of design and permitting for minimal stream realignment.

Mr. Santoro added the Township received a 50% matching funds grant from DCNR in the amount of \$131,000 with a match from the Township to total \$262,000. Mr. Santoro stated the Township's Environmental Advisory Committee is engaged in this project.

Tim Schutzman provided an overview on the need for Stormwater studies in the Fox Run area and Southwest regions. Mr. Schutzman explained the studies would assist in directing these projects forward in these areas.

Jerry Andree inquired about PennDot's design and the stormwater projects.

Mike Malak stated PennDot's project is inline with the Township stormwater project.

Bettelou Bertoncello inquired about the timeline for the studies.

Jason Dailey stated the studies will be started and completed in 2022.

9. 2022 Proposed Budget

Motion to approved the 2022 Proposed Budget.

Vanessa Gleason provided an overview of the 2022 budget. Ms. Gleason explained the Maintenance and Operating costs move from 50% in 2021 to 100% in 2022.
